Serving Customers for **60+ Years**

Industries We Serve

Food & Beverage

Delivering solutions for optimizing production, ensuring quality control, and maintaining compliance with safety and hygiene standards.

Packaging

Providing solutions to enhance efficiency, improve precision, and ensure seamless integration across your production lines.

Automotive

streamlining manufacturing processes, improving precision, and driving production efficiency are our top priorities while servicing you.

Wastewater

We offer specialized solutions for optimizing pump and motor control, enhancing system monitoring, and ensuring compliance with environmental regulations.

Life Sciences

We offer tailored solutions to support precise control, compliance with regulatory standards, and streamlined processes for pharmaceutical, biotech, and medical device manufacturing.

Let Us Serve you, Give Us A Call Today

Products We Offer From Reputable Manufacturers

Drives & Enclosures

We provide a comprehensive range of drives and enclosures designed to meet the diverse needs of our customers through efficiency and reliability in demanding environments.

Sensors & Cordsets

We supply a wide range of precise sensors and durable cordsets to support seamless industrial automation.

Push Buttons & Switches

We offer a variety of push buttons that provide reliable control and operation, while our switches ensure seamless functionality and safety in any environment.

PLCs & HMIs

We provide a wide selection of PLCs and HMIs to streamline industrial processes and enhance user control. These cutting-edge solutions optimize productivity and reduce downtime..

Safety & Protection

At AA Electric, we offer a range of safety and protection solutions designed to safeguard your operations and personnel. These solutions help our customers create safer work environments, reduce downtime, and protect valuable assets.

Wide range of product offerings
